tragically lost."

- President Trump offered support and encouragement to the hurricane's victims: "Working together, we'll overcome these hardships, we will endure, and we will rebuild ... we'll emerge stronger, more united, and more prosperous than ever before."
- President Trump saluted the everyday heroes on the ground: "We also have to salute the incredible first responders — law enforcement heroes, doctors, nurses, firefighters, Coast Guard, National Guard — who have been serving with such extraordinary great ... You are truly the best of America."
- President Trump delivered relief supplies to aid in the hurricane's devastating aftermath: "We have a lot of truckloads of different items, from oil to water to all sorts of equipment that's going to help ... We're here today to stand in complete solidarity with the people of Georgia and with all of those suffering."
- President Trump spoke about the urgent need to restore communications: "I just spoke to

- Elon [Musk]. We want to get Starlink hooked up because they have no communication whatsoever and Elon will always come through — we know that, so we're working on that."
- President Trump called for unity: "In a time like this when a crisis hits, when our fellow citizens cry out in need, none of that matters — we're not talking about politics now. We have to all get together."
 - Rev. Franklin Graham delivered a moving message of encouragement and prayer: "Sometimes when a storm like this comes, people think, 'Well,

maybe God is mad at us. Maybe this is His judgment.' No, God loves us. How do I know that? Because the Bible tell us that God loves us and cares for us. Yes, there are storms in life — but God will take us through those storms." Meanwhile, Kamala Harris is nowhere to be found.

Gun Owners of America Statement on new White House gun control... from sports page 1

- flag' them instead and seize their currently owned firearms in the process. The chilling effect this could have on new gun purchases is unimaginable."
- According to GOA the executive order is loaded with anti-gun provisions, including:
- Using "red flag" laws to disarm potential gun purchasers when

- running an "enhanced background check"
- \$135 million in bribes to states to pass and implement "red-flag" gun confiscation laws and expand "enhanced background [registration] checks"
 - Demanding that states create carveouts to state privacy laws to disclose records about minors to the Feds, all for the purpose of

- extending the unconstitutional wait periods on adults under-21 trying to buy a gun
- Creating a task force to further demonize 3-D printing, homemade firearms, and machine gun conversion devices
 - A demand that Congress ban so-called "assault weapons" and bump stocks; pass mandatory
- Gun Owners of America is a nonprofit grassroots lobbying organization dedicated to protecting the right to keep and bear arms without compromise. GOA represents over two million members and activists.
